And all the air
 a solemn stillness holds.

There's no art to find
The mind's construction
In the face.
- Shakespeare

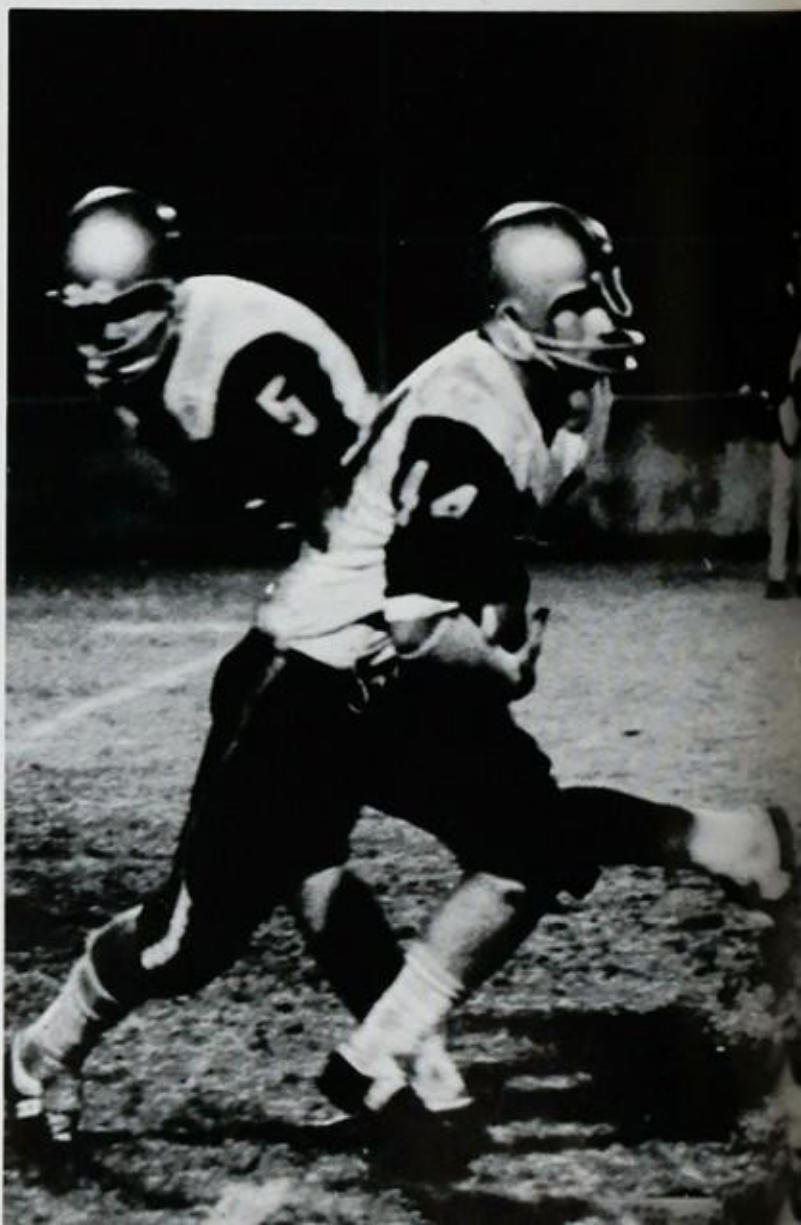

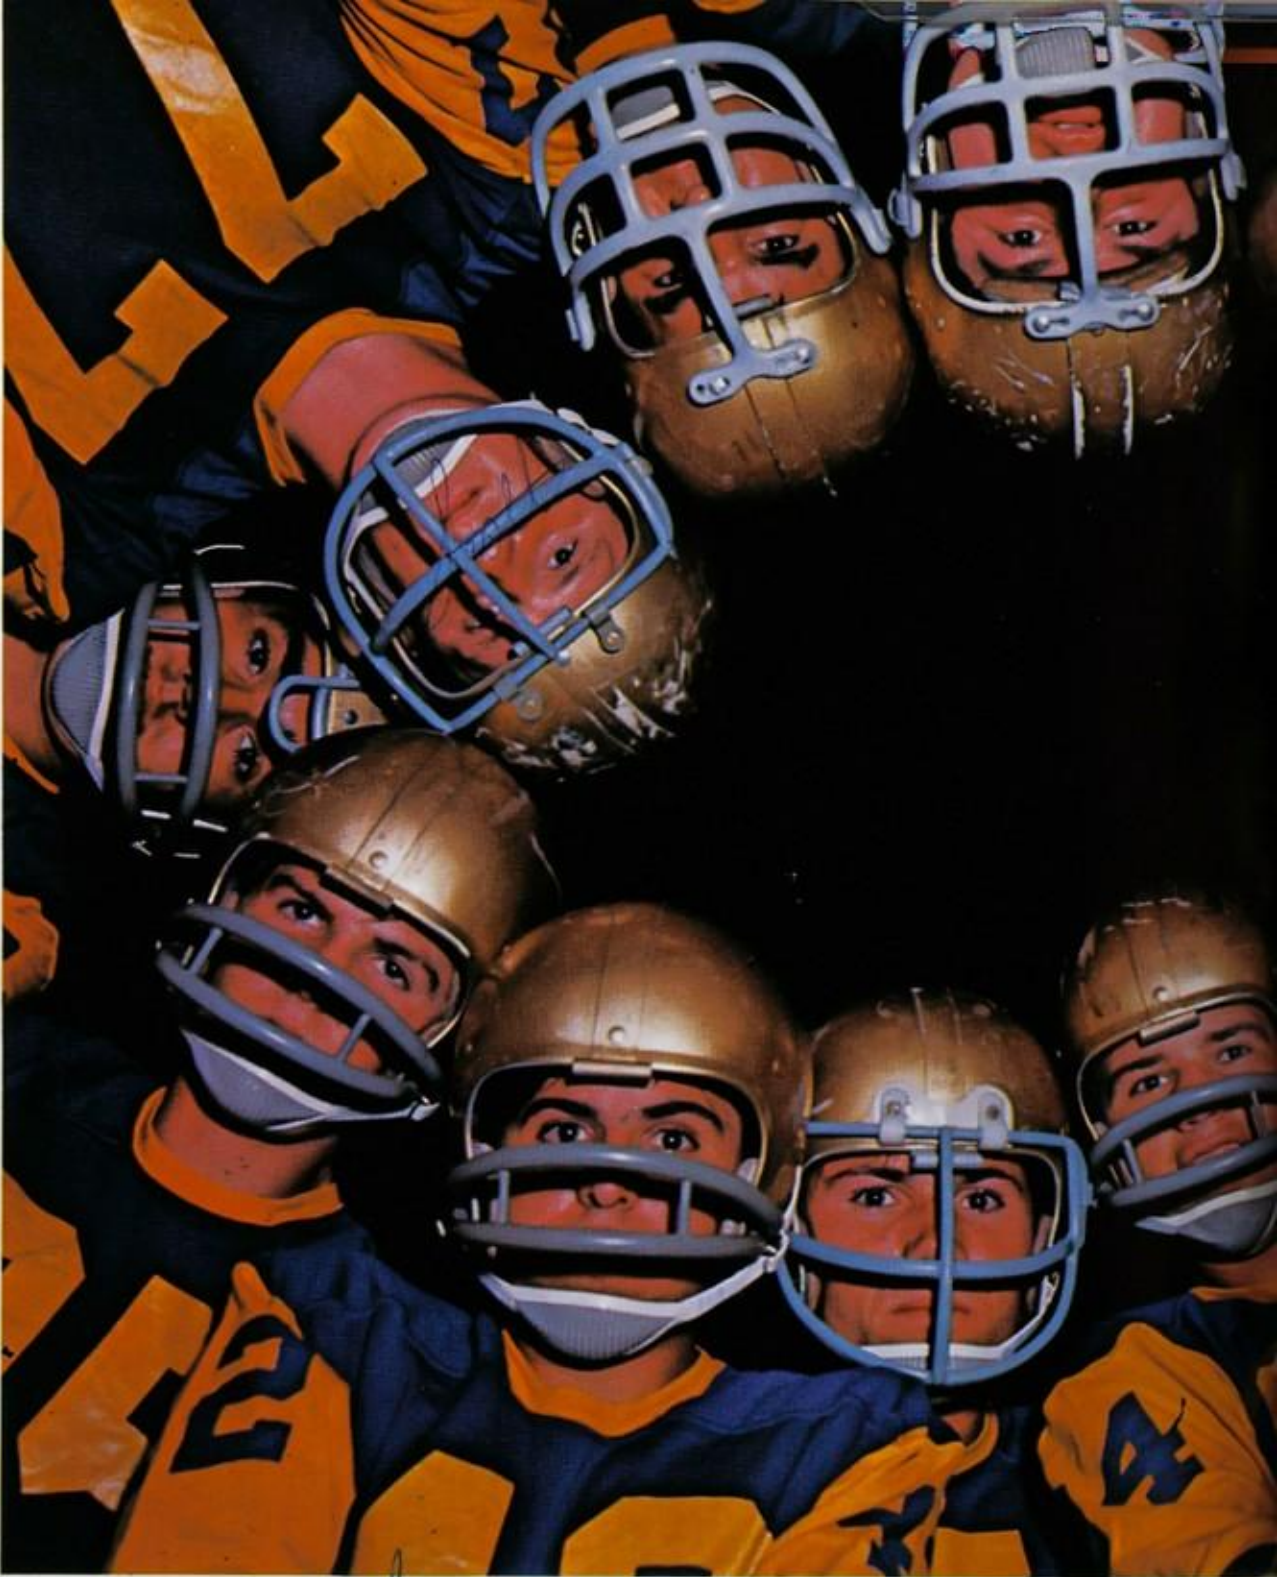

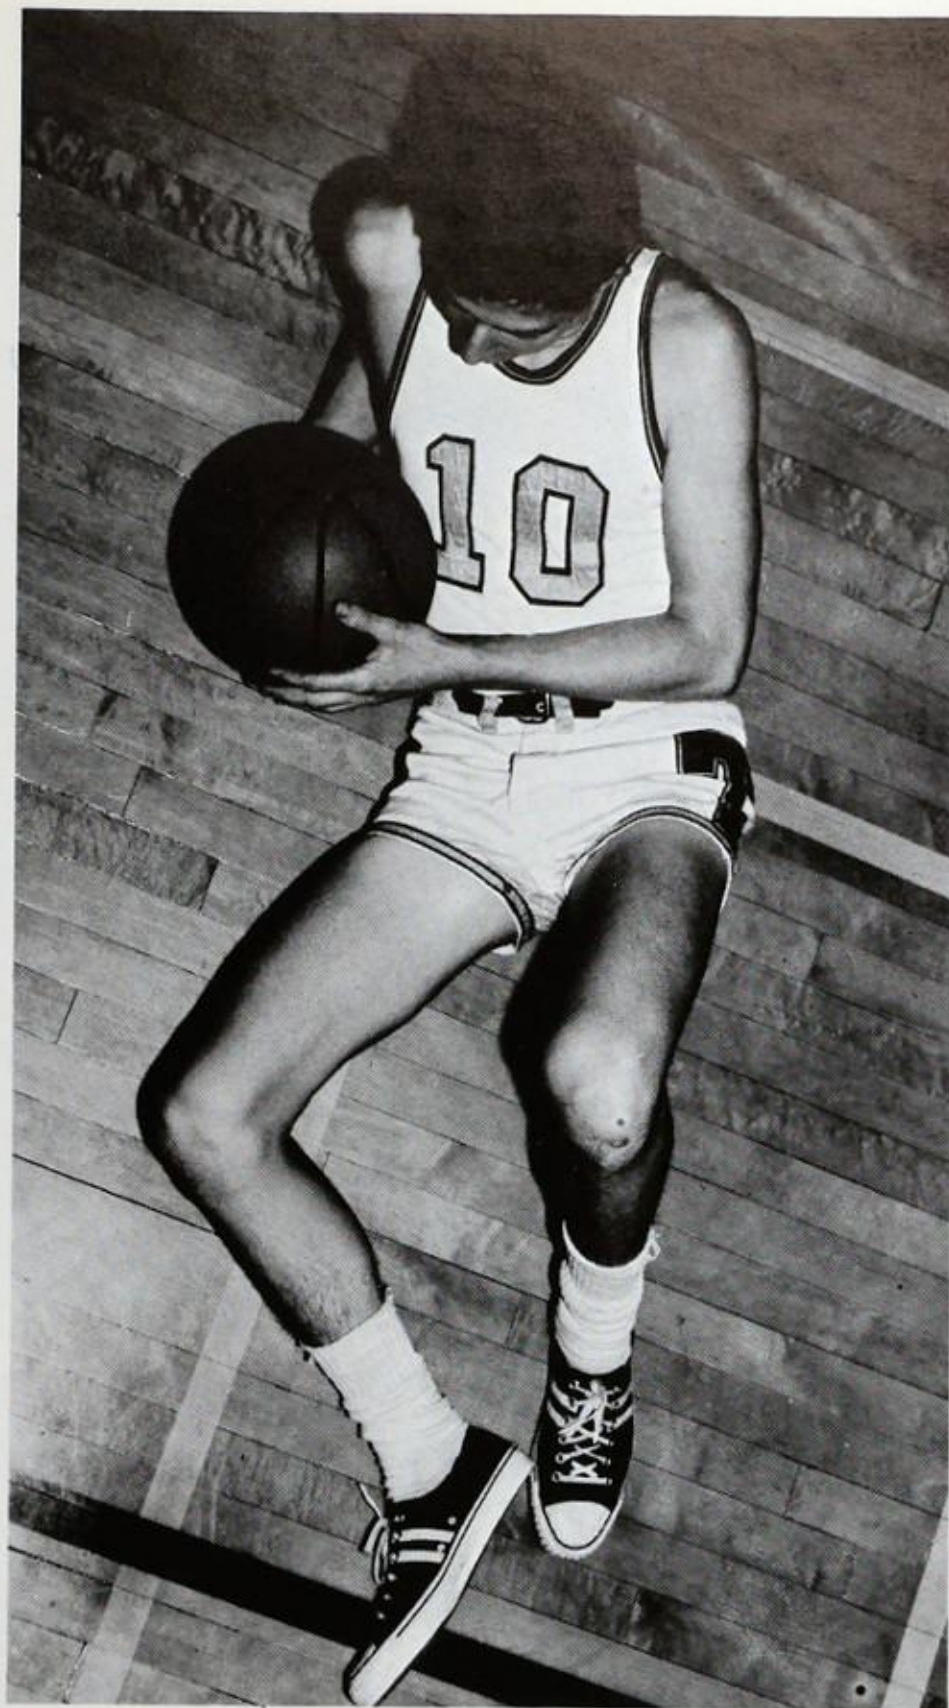

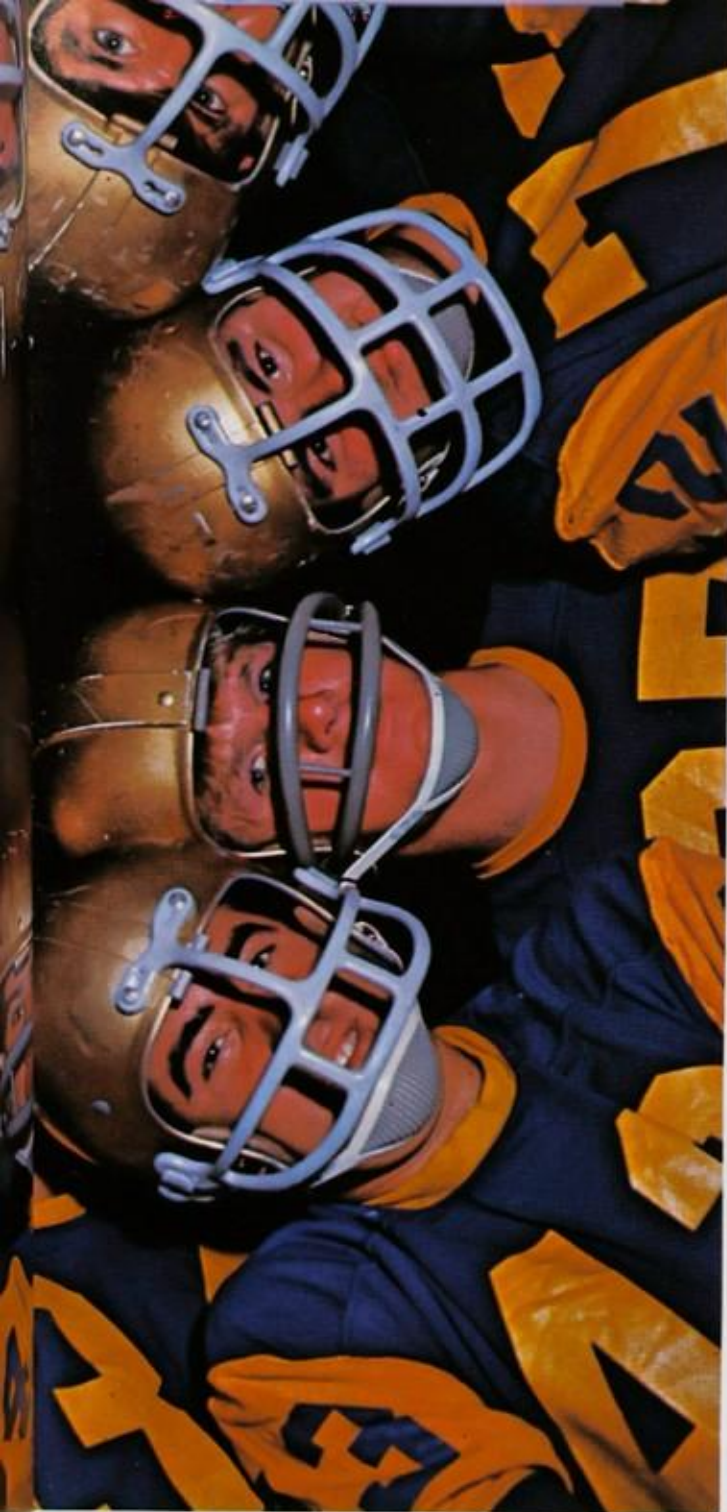

Handwritten notes on the right side of the page, including "Hasty" and "yea juniors!!".

This is not me
 Table 3 is pretty good
 but could be better
 It has nice knowing
 you & trust the next year
 will be successful for you.

The Squad.
 Rudy

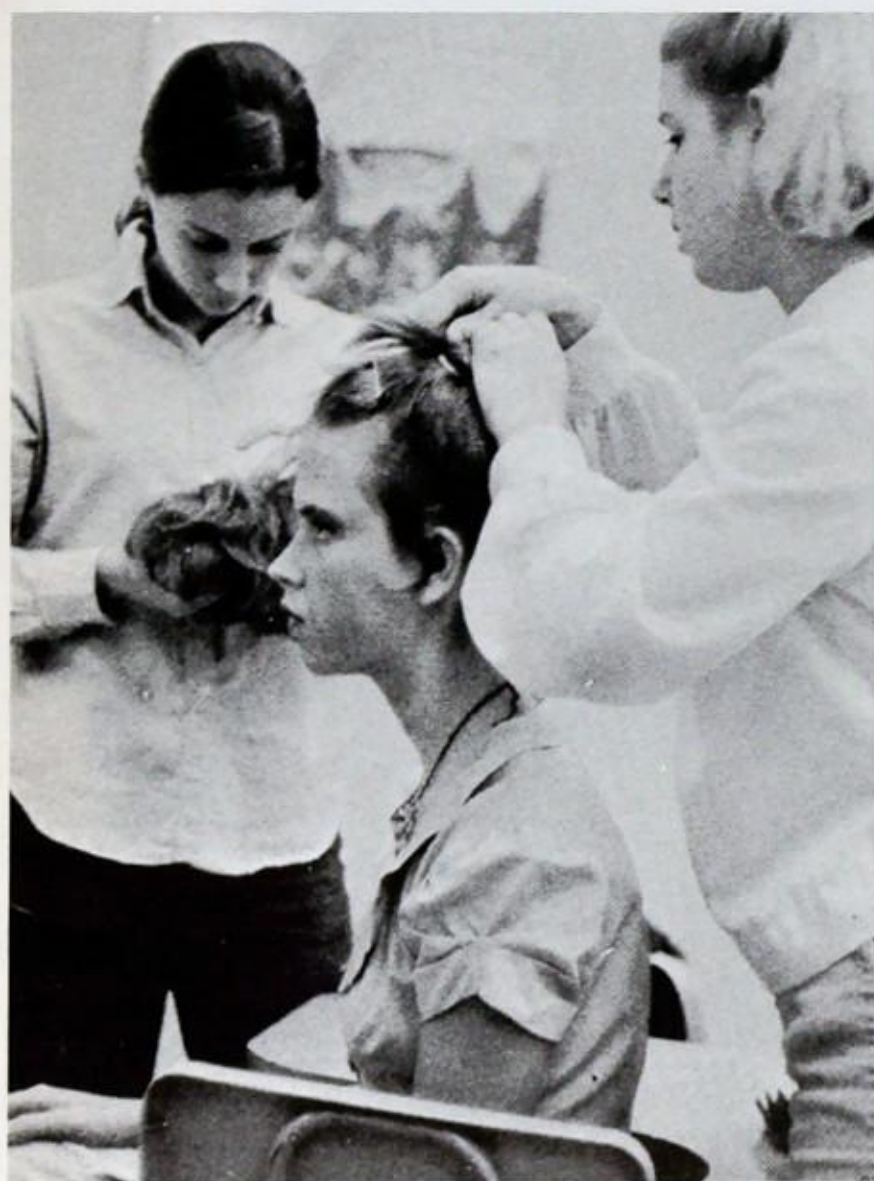

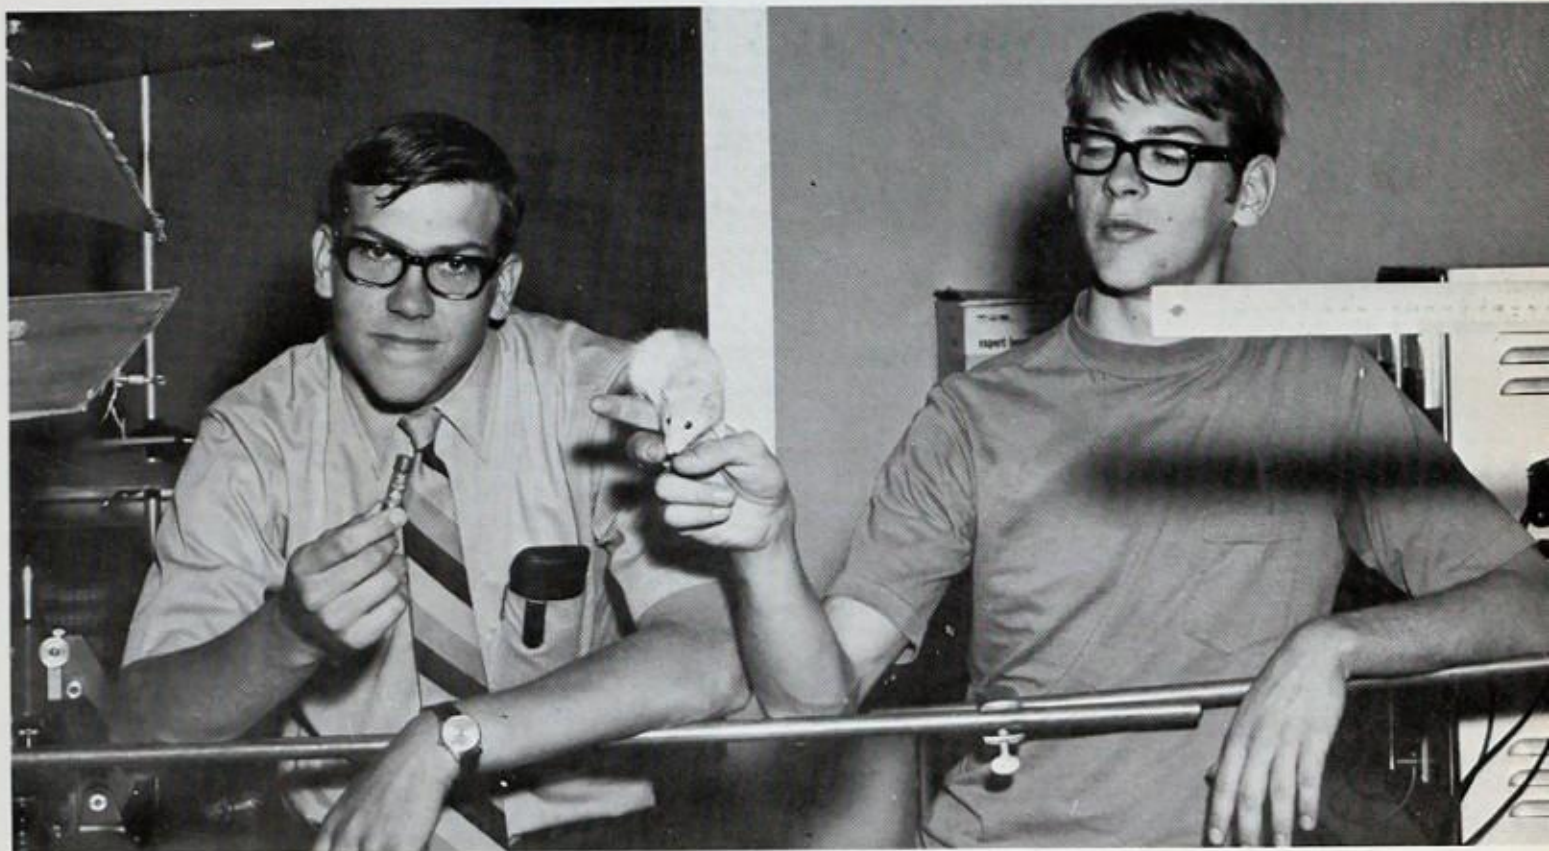

Victories that are cheap are cheap.
Those only are worth having which
come as the result of hard fighting.

- Henry Ward Beecher

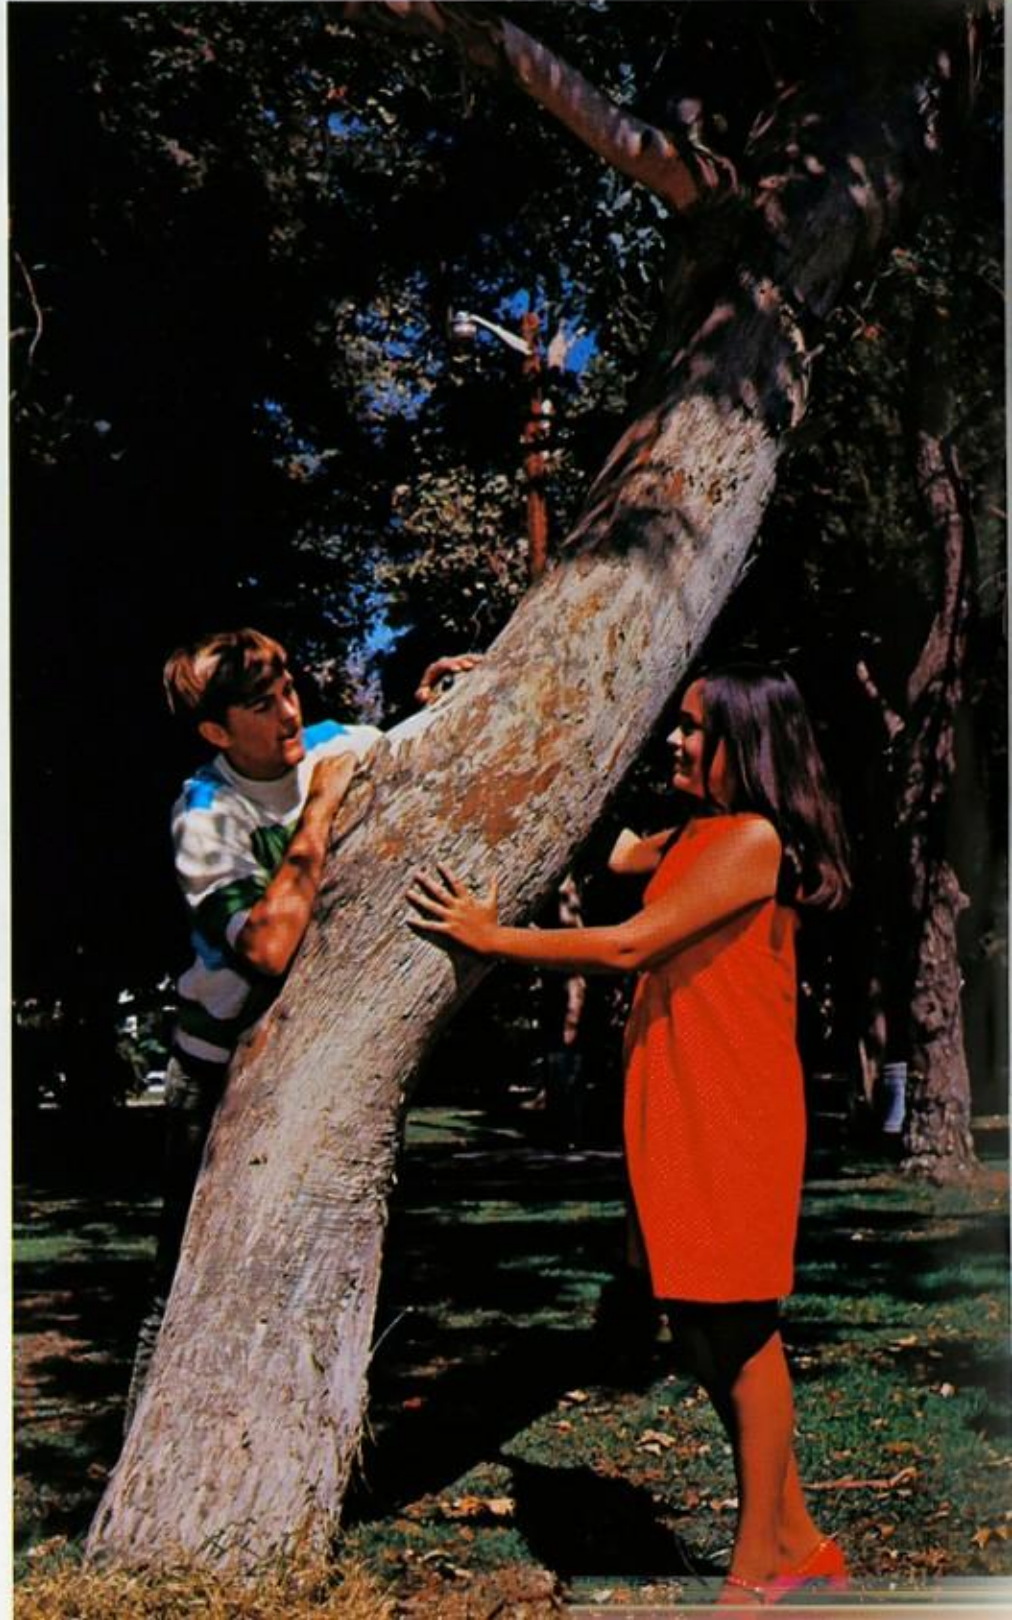

Exercise
Is to the body . . .

As learning is to the mind.
- Sir Francis Bacon

It is the common
wonder of all men
how among so many
millions of faces

There should be
none alike.
- Sir Thomas Brown

The imagery of the mind . . .

Is a very complex wonder.
- ALERT staff

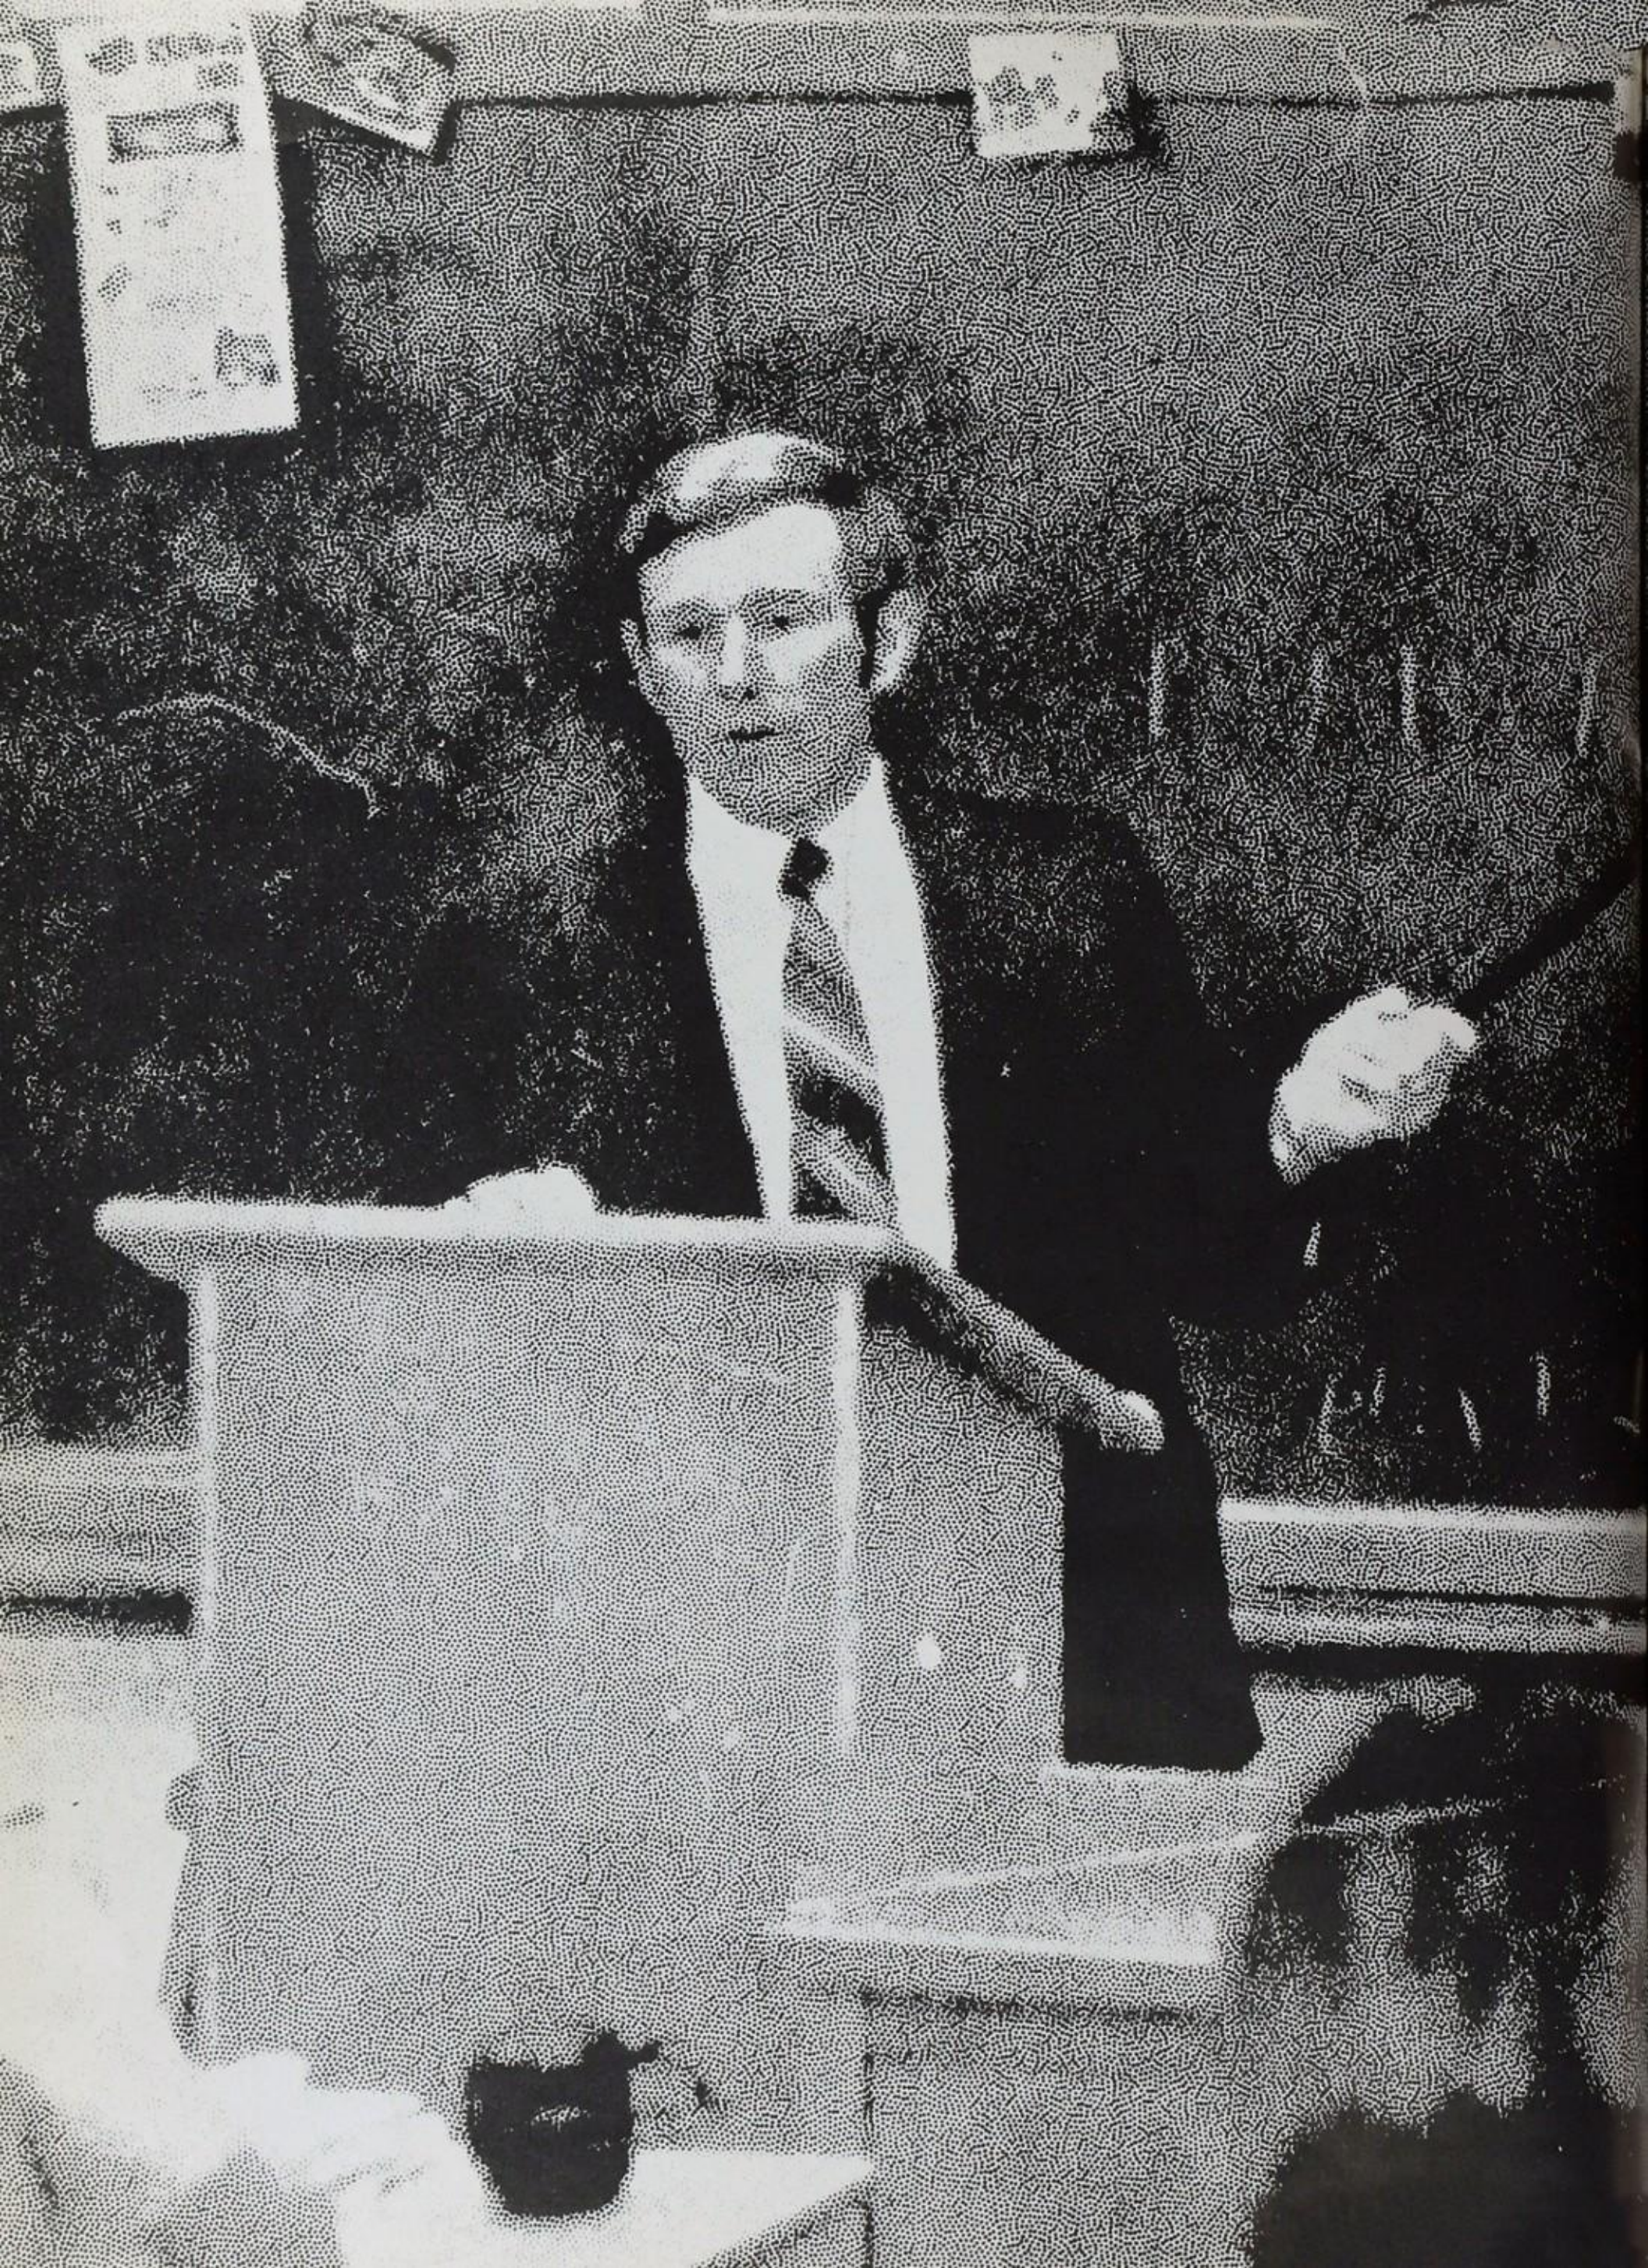

This is a face.
One of a kind.
One set of responsibilities.

One set of problems.
One set of opportunities.
This is an individual.

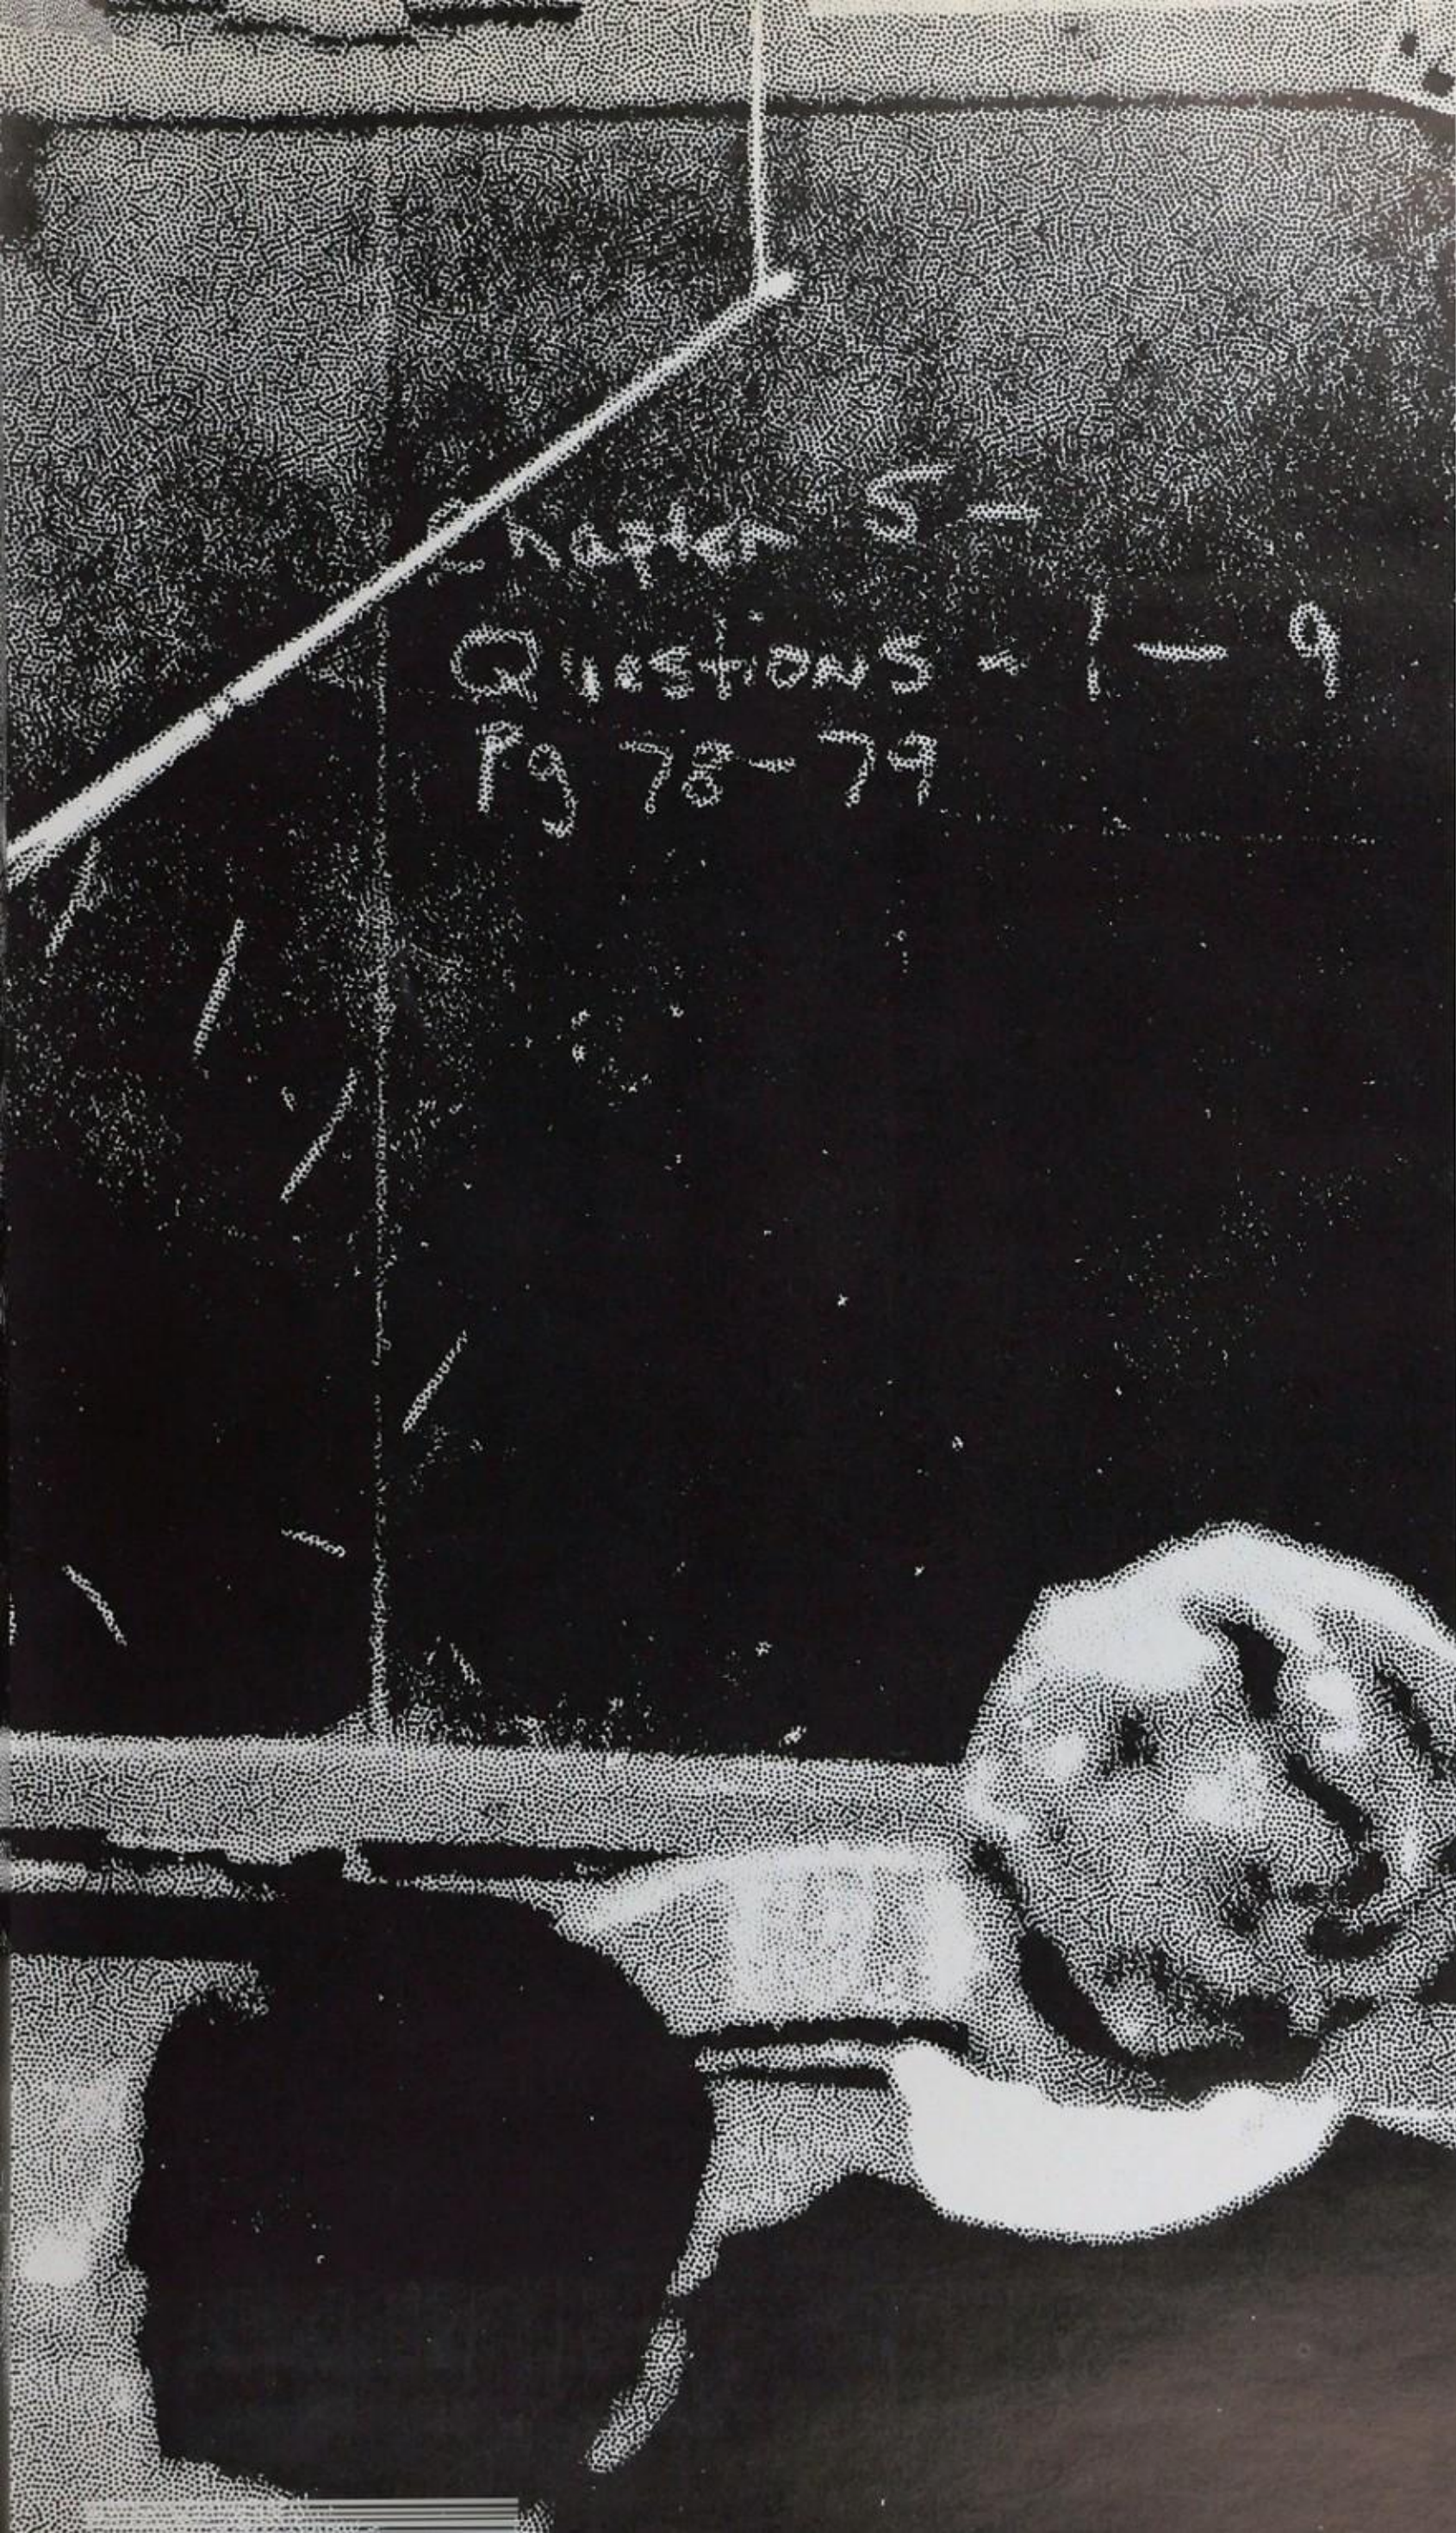

This book is dedicated to the faces of this school

Successful Football Season

Handwritten note:
The 1969-1970 Homecoming Queen and her court.

Homecoming activities proved to be a great success this year with the Senior class winning the twenty-five dollar first place prize for the most outstanding float. The Sophomores created the most artistic window celebrating "The 100th Anniversary of Football." Mr. Buck Clausen, long-time teacher of THS, served as Grand Marshall of this year's parade. All festivities were climaxed by the coronation of the 1969-1970 Homecoming Queen and her court.

Grapplers Come On Strong

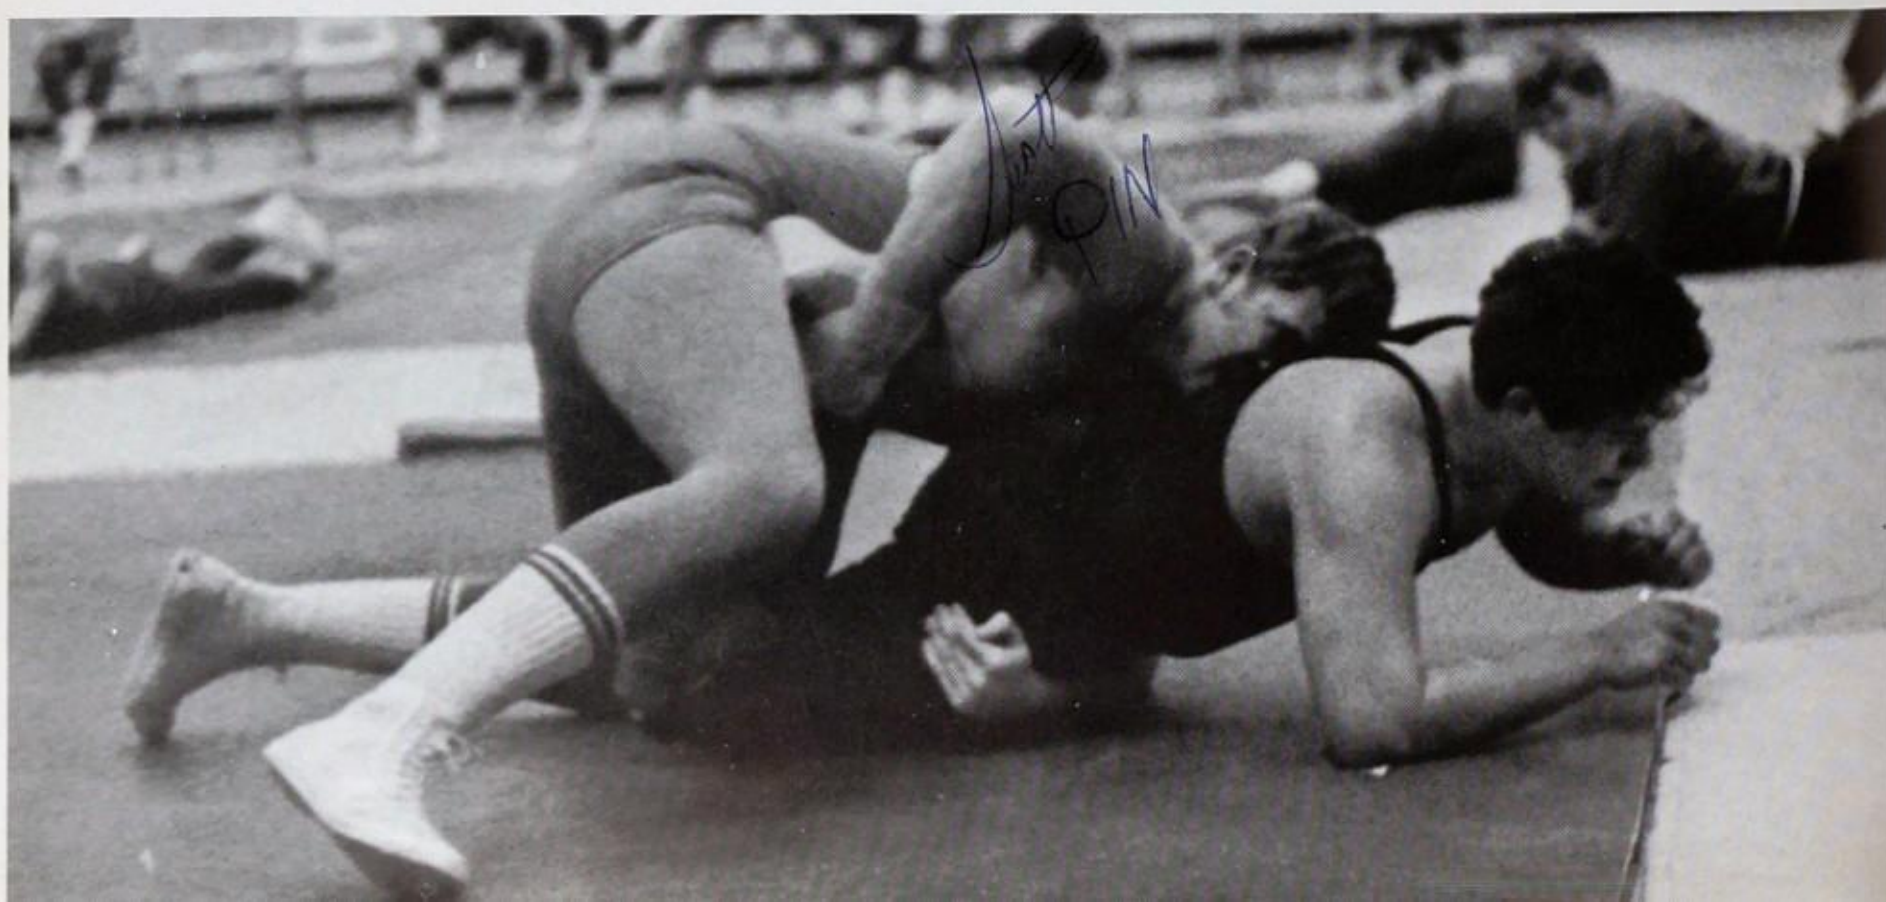

Antone Pedras maneuvers for position.

Buster Lucas works for a pin.

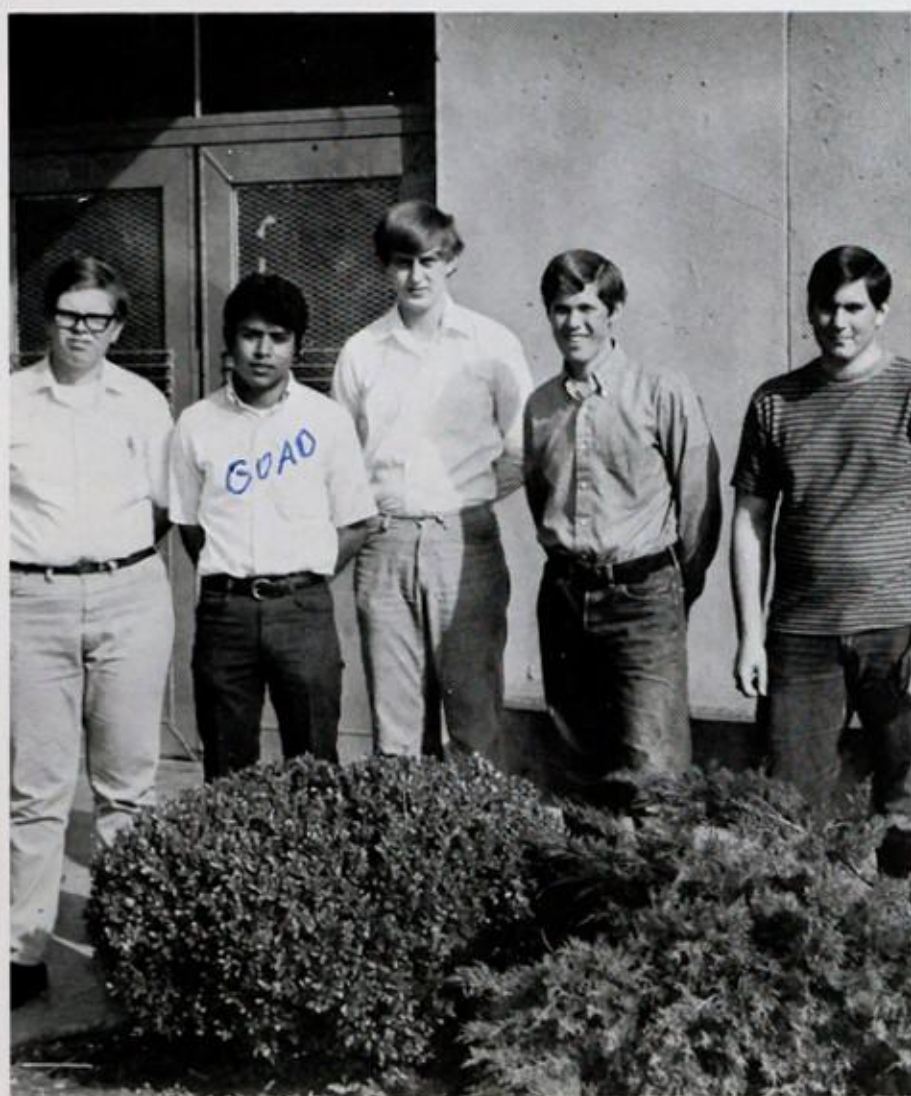

The 1969 version of the Turlock Wrestling team started as one of inexperience and doubt. Inspired by the fact that they failed to gain any recognition in the ratings the grapplers improved with every meet. The youthful squad ignored the skeptics and wrestled their way to second place in the always tough CCC and third in valley. The highlight of the season came when the inspired Bulldogs stunned the top districts top team, Ceres, 25-21.

Max Goldstein, Sandra

Sandra Keesey represented Turlock High at the 1969 Girls' State Conference last June. While there she participated in the program acting as a clerk in the elections. By attending the conference she acquired a better understanding of how our state government operates.

Alert Staff Captures

The theme chosen for the 1970 yearbook is "Faces," which are ever-present in our lives. We have explored the many connotations of faces, trying to catch emotions and ideas in the expressions of people.

This has been a year of excitement and pressure for the entire staff, but we are proud of our final product, the 1970 **ALERT**, and hope that you will enjoy it. If you could be present during our deadlines, you would appreciate as much as I do, the patience and co-operation of the staff. To them I say a heartfelt thank you.
